HENRY G

HENRY GILBERT SMITH

1802 ~ 1886

“The Father of Manly”

Arriving in Sydney in 1827, Henry Gilbert Smith quickly set his sights on gaining Manly recognition as a tourist destination. Enchanted by the spectacular scenery and accessibility from Sydney by boat, Henry’s vision was modelled on popular seaside havens in Europe and their extensive parklands, wide vistas, grand crescents lined with gracious mansions.

Unfortunately for Henry, Manly at the time was difficult to reach which encouraged his endeavour to build Manly Wharf and purchase

Manly’s first iron paddler steam ferry, *The Phantom*. From here, Manly quickly became a must-see destination and spiked the interest of many potential investors.

Henry’s legacy can still be seen in the streets today with landmarks he built and contributed to such as Manly Corso, Hotel Steyne, St Matthews Church, the Norfolk Pines that line Manly Beach, Manly Wharf, the Kangaroo Statue and many street names dotted around the area.

Henry G’s Wine Parlour Manly acknowledge the Gayamagal people of the Eora Nation as the traditional owners of Kai’y may and pay our respects to Elders past, present and future. We celebrate the stories, culture and traditions of Aboriginal and Torres Strait Islander Elders of all communities who also work and live on this land.
